

Everything to Gain---Nothing to Lose

IN SELECTING SPRING WASH GOODS NOW.

You have the largest stock to select from that this store has ever had this early in the season. Every fabric is the very latest—right "hot" off the looms.

The patterns are the "first choice" and naturally the best that will be shown. Many of the styles we show are imported from the European markets and confined to us for Barre, thus tending to make them more exclusive.

Then, too, the market will soon be bare of desirable Wash Goods, the demand so far exceeding the supply, and late buyers can't possibly have the choice patterns to select from that you now have. Isn't it better, then, to buy now?

Bates, A. F. C., Red Seal, Everett, Victoria and English Gingham, Checked Voils, Jacquard Silk Brilliant, Connaughts Figured and Plain Dimities, Luster Silk, Novelty Voils, Drawn Work Mulls, Voil Checks, Print Organdies, Box Swisses, Drap De L'Inde, Pois De Sole and Broderie Egyptian.

Try a Ladies' Home Journal Pattern. With each Pattern is issued a Guide Chart, which effectually obviates all possible errors.

THE HOMER FITTS COMPANY

New England and People's Telephones.

A Word About Rubbers!

Rubber Goods, Like Everything Else, Are Made in a Variety of Grades!

To be sure of getting the BEST buy where QUALITY is considered FIRST. That means here. First-quality goods are what we sell and our prices are no higher than many others are asking for poorer grades. We sell BALL BAND and WALES GOODYEAR in Lumbermen's Rubbers and Overshoes.

Please take notice! Members of the Ladies' Aid society of St. Monica's church are requested to bring cake to the R. of C. hall Thursday evening.

Mrs. Freeman Cilley, who went to the Mary Fletcher hospital in Burlington last week, passed through a very serious operation Monday. The operation was successful and Mrs. Cilley is now resting comfortably.

George Booth, E. S. Currier, E. M. Lyon and A. P. Abbott went to St. Albans this morning to attend the State Poultry association exhibit. There are over forty fancy fowls from Barre entered in the show.

Those who have solo parts in the Tufts club are not the only solo singers in the organization. Several others have positions in choirs in the vicinity of Boston. At the opera house on Friday night, February 8.

The social given last evening by the Ladies' Auxiliary of the Presbyterian church was very largely attended, the vestry being filled to overflowing. A short but very enjoyable programme was given, after which coffee, sandwiches and cake were served. After spending a very social time all went away feeling that they were better acquainted than ever before.

The friends of Mrs. Charles Plouff to the number of sixty or seventy gathered in the hall in the Averill building last night and then sent for Mrs. Plouff. When she arrived they treated her to a real surprise party. Dancing was enjoyed until three o'clock this morning, and the guests had a pleasant time. Mrs. Plouff was presented a purse of money and her husband, being repaid for a joke, was presented a jug with five little dogs attached to it.

Mrs. W. H. Conner was pleasantly surprised yesterday afternoon by the members of her former Sunday school class, known as Mrs. Burcham's class, who gathered at her home on Merchant street to celebrate her birthday. The afternoon was spent in a social way, after which a birthday supper was served to the ladies by Mrs. Conner's daughter, Mrs. Hoyt. Mrs. S. Conner in behalf of the company presented Mrs. Conner a silver fruit dish as a reminder of the occasion. The ladies left in the early part of the evening, wishing Mrs. Conner many happy returns of the day.

TALK OF THE TOWN.

Skates never before sold for any such prices. Regular five skates for 35c per pair. Averill Music Co.

The F. B. Case Real Estate agency was the agent in the lease of the L. M. Averill store to the Eastern Tea company.

Edlie Grant, who played third base for the Inter-city baseball team two years ago, led the Eastern league in batting with a percentage of .225, according to the standing just published. Grant played with the Jersey City team. Next summer he will be with the Philadelphia National league team.

The local bowlers who are going on an extended trip through New York and Connecticut the first of next month are putting in some hard practice in anticipation of it. If they show up fairly well on this trip they may enter the national bowling tournament at Atlantic City, N. J., next March. They start on their trip next Monday.

M. J. Gordon appeared before the Rutland county court of bankruptcy at its last session in behalf of a Boston firm to examine Alice A. Ellis of Castleton, whose petition in bankruptcy was recently filed. After the examination Attorney Gordon gave notice that specifications objecting to the discharge of the woman from bankruptcy would be filed, and the court gave him ten days in which to do so. On the same day the court gave permission for the trustee to sell three farms in Castleton and other property.

INDUSTRIAL ITEMS.

Brazil at one time furnished 75 per cent of the world's rubber. This has fallen off to half.

Twenty years ago plumbers in New York city received \$3.50 a day and worked fifty-three hours a week. Now they get \$4.75 and work forty-four hours a week.

One tug on the Mississippi river can take in six days from St. Louis to New Orleans barges carrying 10,000 tons of grain, which would require seventy railway trains of fifteen cars each.

The Badische Anilin und Sodafabrik in Ludwigshafen-am-Rhein, Germany, propose to erect, at a cost of over \$7,500,000, a factory in which the nitrogen in the air is to be utilized for the manufacture of a preparation similar in its properties to Chile saltpetre. The works are to be driven by water power from the river Ais, in the Palatinate.

SCIENCE SIFTINGS.

The number of known stars exceeds 100,000,000.

It is believed that the temperature of the earth at a depth of 200 miles is not less than 18,000 degrees F.

Light travels about 185,000 miles a second, so fast that the time of its passage from one point on the earth's surface to another cannot be measured. The sun is something more than 90,000,000 miles from the earth, so it takes about eight minutes for light to travel from the sun to the earth.

TALES OF CITIES.

New York city is now increasing its population at the rate of 150,000 yearly.

In Madrid Tuesday is deemed unlucky, and for many years no one has been married on that day.

In the city of Tetuan, Morocco, many of the streets are vaulted with vines on which the grapes grow so profusely that no one cares who helps himself to a cluster. In the market they sell at about 2 cents a kilogram.

ANIMAL LIFE.

Too much sugar ruins a canary's voice.

The Mexican lapdog is the smallest member of the dog family.

The leech has three jaws, each fitted with eighty to ninety teeth.

There are sixty-five species of humming birds enumerated by ornithologists.

Most Nutritious Meat.

The most nutritious meat is beef. Veal is inferior, especially when the blood has been removed. Mutton is inferior, as it contains more water. Lamb is inferior to mutton.

Grouse Eggs.

The eggs of a grouse vary from eight to fourteen and are of a reddish white ground color, almost entirely covered with large spots of amber brown.

Sir Knights Attention!

It is the command of the Thrice Illustrious and Most Excellent Rajah of the Imperial Thoma, Knights of Birmingham of all the Americas, that all the Sir Knights within the royal bounds of Old Knox Lodge which lies between the rivers rising on the north and the two Grande on the south and from the Passamaquoddy on the east to the Montserrat in the far west that as far as in you lies, you are requested to assemble yourselves together in annual convocation of Old Knox Lodge, No. 1, Miles' hall in the great and sumptuous city of Barre, Friday evening, Feb. 7, for the solemn and illustrious purpose of election of the Thrice Illustrious and Most Excellent Grand Officers, the conferring of degrees and partaking of the rites the order which are G. C. C. C.

A. E. Brown, T. I. M. E. of A. A. etc. James R. Coffin, G. S. W.
